Introduction to Mitral Valve
Anatomy & Suturing
2017 TSDA Boot Camp

Eugene A. Grossi, MD
Stephen B. Colvin Professor of Cardiothoracic Surgery
NYU Langone Medical Center
Intro Mitral Valve Anatomy: 2017 TSDA Boot Camp

Goals of tonight’s workshop:

Appreciate basic anatomy of mitral valve

Appreciate realtional anatomy of mitral valve
Intro Mitral Valve Anatomy: 2017 TSDA Boot Camp

Typical schematic of mitral valve:
Intro Mitral Valve Anatomy: 2017 TSDA Boot Camp
Intro

Mitral Valve Anatomy:

- Commissural area
- Lateral scallop
- Contact area
- Anterior leaflet
- Posterior leaflet
- Free edge
- Anterior papillary muscle

Bootcamp 2014
Intro Mitral Valve Anatomy: 2017 TSDA Boot Camp
