Faculty Development Committee: *Goals*

- **Provide professional education development to the following audience: PDs, APDs, PCs, teaching faculty**

- **Partner with other professional organizations to support faculty engagement and career advancement with regards to education**

- **Deliver effective knowledge and skill-building programs for our targeted audience**

Why is faculty development important?

- **Increase faculty members' value of teaching**
- **Rekindle motivation and enthusiasm in teaching**
- **Improve knowledge, behaviors, and dissemination of educational skills**
- **Provide a meaningful pathway for career and promotion**
- *Required by the ACGME Common Program Requirements!*
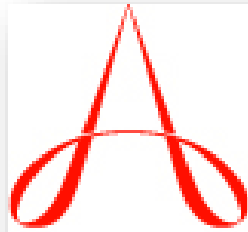

What is Faculty Development?
Improve all aspects of being an educator

- **Mentoring**
- **Lecturing**
- **Teaching**
- **Career planning**
- **Self assessment**
- **Promotion**
- **Career/family integration**
- **Educators portfolio**
